

EXCERPT FROM DECISION ON RAIFFEISENBANK AUSTRIA D.D. SERVICE FEES RETAIL BANKING OFFER

(Applicable as of 7.3.2025)

GENERAL PROVISIONS

1. The Bank shall charge fees for providing services to the Service User in keeping with the Bank Management Board Decision on Service Fees, unless it is otherwise arranged under the agreement between the Service User and the Bank.

2. In accordance with the Bank's interests, fees concerning a particular business operation may be set as higher or lower than the ones determined under the Decision on Service Fees. Proposals shall be approved by RBA authorities and employees pursuant to the Decisions on Special Authorisations in RBA Business Operations.

3. Additional Costs for the Service User

3.1. Along with the tariff items that have the VAT stated, fees shall be increased for the rate stipulated under the VAT Act.

3.2. The Service User shall pay the Bank, besides the stipulated service fee under the Decision on Service Fees, also the additional real costs which the Bank had in executing the services.

Real expenses shall be:

- Fees and other costs charged by other domestic and foreign banks, that participate in the operations
- telex, facsimile, international telephone call costs
- expenses regarding postage, and special shipping and handling fees, transportation costs
- SWIFT costs
- Costs regarding protest, B/E claims, execution and similar
- Costs regarding special printed forms in foreign business operations (bills of exchange, duties and similar)
- other expenses incurred on the basis the Service User's request.

Costs charged by foreign banks when making foreign money transfers shall be charged by the Bank in the foreign currency amount.

4. Methodology of calculating and paying the fees

4.1. Fee calculation

The amount of fee for specific service type is expressed in percentage or in absolute amount in EUR or in foreign currency.

Methods of calculating fees for specific service types:

- one-off, per transaction
- one-off, in advance
- monthly or quarterly¹, in arrears
- monthly, in advance
- quarterly, in advance
- quarterly, in advance, with the accounting period not being dependent on the calendar quarter
- annually, in advance, with the accounting period not being dependent on the calendar year
- annually, in arrears

4.2. Fee payment

Fee payment according to particular service types:

- the Service User shall pay the calculated amount to the Bank account
- the calculated fee amount shall be drawn from the funds credited to the Service User upon use of the respective funds
- debiting the Service User's account for the amount of the calculated fee

For all calculated fees that are declared under the Decision in their minimum amount, if the calculated amount was lower than the minimum for a particular service type, then the stipulated minimum amount shall be charged.

5. Maturity of the calculated fee

The calculated fees for provided services and the real expenses shall be payable immediately, and within 7 days from the day of calculation at the latest. Should the 7th day be a Sunday or a holiday, the maturity date shall be moved to

¹ A quarter shall mean a calendar quarter so that the calculation period shall begin on every January 1, April 1, July 1 and October 1.

the following working day. If no other special agreement or bank act should stipulate otherwise, upon the expiry of the mentioned period the Bank shall calculate the legal default interest rate, starting from the calculation date to the date of final collection of the calculated fee.

The calculation methodology of interests and fees and of the default interest for the calculated and outstanding fee, is regulated under the Rules on Interest Calculation.

6. Specific characteristics of fee calculation and collection by business fields

6.3.1. Fees in EUR and foreign currency banking

The fee for executing cashless and cash payment transactions in all accounts are calculated and charged upon executing the specific transaction. Fees for other services are calculated and charged on a one-time basis in advance or upon executing the specific transaction.

For services in foreign exchange transactions with retail customers, if the fee is charged from the Service User's Multi-currency Account at RBA, the buy exchange rate for FX of RBA valid on the date of charge applies.

The calculated fee shall be charged from the Service User's account or by cash payment.

6.3.3. Fees for banking services in Giro Accounts, Current Account and Multi-currency Current Account, Multi-currency Giro Account, a vista Savings Account and Protected Accounts.

6.3.3.1. The fee for payment service transactions and credit transfers and the fee for other services are computed as upfront fees or upon executing each transaction and charged to the account or in cash.

6.3.3.2. The account management fee (if defined by the Decision on Service Fees) is calculated monthly, in arrears, and charged to the account for all accounts that are active on the date of fee collection processing.

The fee for account management and account use by an authorized person will not be charged to the account for which no actual movements (transactions) have been recorded for at least last 6 months, when the account balance on the fee calculation date is as follows:

- 10.00 EUR or more, which balance would be reduced, upon charging the fee, to less than 10.00 EUR for Current and Giro Accounts.
- the equivalent of 10.00 EUR or more, calculated at the middle exchange rate of the Bank valid on the fee calculation date, when the balance would be reduced to less than the equivalent of 10.00 EUR upon charging the fee for Multi-currency Current Account and Multi-currency Giro Account.

Actual movements do not include: account management fee, service usage fee, fee for use of the account by an authorized person, account interests and term deposit interests.

Account management fee is charged if there is available balance in the account for the full amount of the fee, regardless of whether there is actual movement in the account or not.

The Current Account management fee is not charged on the Current Account if the overdraft/credit frame was used in the month for which the fee is charged.

The Multi-currency Current Account and Multi-currency Giro Account management fee is charged by debiting the currencies in which the account has a credit balance, in the order of the currency code letters, and the currency EUR being placed first. The currency and the posting amount are selected by collecting the amount by currencies until the moment of settling the total fee amount. If the funds to cover the total fee amount are not available after collection from all available currencies, fee payment is not executed. The fee amount is determined in the EUR, and conversion into a foreign currency is at the buy exchange rate.

6.3.3.3. RBA package monthly management fee

The RBA package management fee is calculated at the beginning of the month, in arrears, for all Current Accounts that are active as on the last day of the fee collection period. The Current Account package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

6.3.3.4. The fee for operating the account by authorized user

Fee for managing Giro Account, Multi-currency Current Account, Multi-currency Giro Account by an authorized user is charged at the beginning of the month for the previous month for the accounts in which such authorized user is active on the last day of the fee collection period.

The fee for operating the account by authorized user is charged if the overall fee amount is available in the account for fee settlement, regardless of whether there was movement in the respective account or not.

6.3.4. Card banking fees

The fees for transactions executed at ATMs and POS terminals by using the Bank debit and credit cards, shall be calculated upon the transaction execution, and charged by debiting the account or credit card for which the fee is calculated. Other fees related to card banking shall be calculated in advance or upon executing the transaction, and charged by debiting the account or credit card or by cash payment.

Fees for using the GPRS POS terminal are charged by direct debit of the transaction account of the contracting partner in RBA.

Cash Deposits by Debit and Credit Cards at Bank's ATMs

Total maximum daily cash deposit limit per client is EUR 9,900.00. A cash deposit order at a deposit ATM can be executed only in the euro, to a Current Account and a Giro Account held at the Bank, which account is not blocked and for which the Client has the right of disposal, and to a Credit Card Account and a Credit Account at the Bank. Such an order cannot be executed to a Protected Account and to a Multi-currency Accounts.

6.3.5. Fees for use of the RBA Direkt services

The fee for using the services shall be calculated monthly, in arrears, and charged from the account. RBA DIREKT services fee shall be charged for the entire month, regardless of the number of usage days.

Building society deposit clients or their legal representatives from tariff item F4.3.5.2., do not pay the fee for the entire month in which the Building Society deposit contract ceased to be valid.

Other fees shall be calculated upon executed transaction (fee for executing transactions through the RBA Direkt service) or in advance (access fee), and debited from the account or settled by cash payment.

The fee for using the services shall be charged from the account that was active as on the day of fee collection processing, in the following order:

1. Current Account
2. Giro Account
3. Multi-currency Current Account
4. Multi-currency Giro Account.

If a client has several identical products contracted (several identical types of accounts), the service usage fee shall be charged by the increasing number of the account number.

If there are not sufficient assets in any of the above accounts at the moment of fee processing, the processing shall be restarted in the same order and make the first account from the defined sequence to overrun.

When the fee is charged from a Multi-currency Current Account or a Multi-currency Giro Account, the currency of the highest balance shall be debited. If there are not sufficient assets to collect the fee in any of the available currencies, the fee shall be charged from and Multi-currency Current Account in which the EUR balance shall be made to overrun.

6.3.7. Cancellation of pre-announced cash disbursement in the amount of 10,000.00 EUR and more, or in the countervalue of other currencies for FX disbursements

The fee is primarily charged against the account from which the withdrawal was announced. In the case that assets in the account are insufficient, the fee shall be charged against any of the accounts, in the following order: 1. Current Account; 2. Giro Account; 3. Multi-currency Current Account; 4. Multi-currency Giro Account.

When the fee is collected from the Multi-currency Current Account or Multi-currency Giro Account, the currency of the highest balance will be debited.

In the case that assets for fee collection are insufficient in all accounts, the fee can be charged against the first following inflow, within 12 months from the date of the announced withdrawal at the latest.

6.4. Fee for business operations conducted through distribution channels

Fees for business operations conducted through distribution channels shall be calculated and charged in accordance with the Tariff items under F4. of the Decision on Service Fees in RBA Business, unless it is otherwise agreed.

Excerpts from the Decision on Service Fees are available on:
