Number of Transaction:	1043248044
Amount:	586.07 HRK
Number of Instalment:	2
Date of dividing:	06.02.2015

In case you have split the mentioned transaction into installments already by calling the RBA Call Center or at an RBA sales venue, please do not divide the same transaction again into installments through the IB, because in this case you will be charged also an additional fee for splitting a purchase amount into installments.

→ Confirm

- After splitting a transaction into installments, a message confirming successful transaction processing will be displayed in the column *Instalment Purchase*.
