

 **From 1 April 2026, application of the SEPA format
ISO 20022 standard version 2019 is mandatory**

Dear Clients,

Following our earlier notifications provided in the past period, we would like to remind you that **as of 1 April 2026**, RBA will be receiving and processing **SEPA credit transfers (SCT) providing statements (camt.052 and camt.053) via internet and mobile banking exclusively in the ISO 20022 standard version 2019 formats**.

We believe that you have already adapted your systems to the new SEPA documentation to ensure smooth transactions, in accordance with our earlier notifications.

For more information, please visit www.sepa.hr

We thank you for your understanding and wish you a pleasant day!
