

EXCERPT FROM DECISION ON RAIFFEISENBANK AUSTRIA D.D. SERVICE FEES RETAIL BANKING OFFER

(Applicable as of 01st July, 2017)

GENERAL PROVISIONS

1. The Bank shall charge fees for providing services to the Service User in keeping with the Bank Management Board Decision on Service Fees, unless it is otherwise arranged under the agreement between the Service User and the Bank.

2. In accordance with the Bank's interests, fees concerning a particular business operation may be set as higher or lower than the ones determined under the Decision on Service Fees. Proposals shall be approved by RBA authorities and employees pursuant to the Decisions on Special Authorisations in RBA Business Operations.

3. Additional Expenses for the Service User

3.1. Along with the tariff items that have the VAT stated, fees shall be increased for the rate stipulated under the VAT Act.

3.2. The Service User shall pay the Bank, besides the stipulated service fee under the Decision on Service Fees, also the additional real expenses which the Bank had in executing the services.

Real expenses shall be:

- Fees and other expenses charged by other domestic and foreign banks, that participate in the operations
- telex, facsimile, international telephone calls expenses
- expenses regarding postage, and special shipping and handling fees, transportation expenses
- SWIFT costs
- expenses regarding protest, B/E claims, execution and similar
- expenses regarding special printed forms in foreign business operations (bills of exchange, duties and similar)
- other expenses that occur at the Service User's request.

Expenses charged by foreign banks when making foreign money transfers shall be charged by the Bank in the foreign currency amount.

4. Methodology of calculating and paying the fees

4.1. Fee calculation

The fee amount for particular service types is given in either the percentage or in the absolute amount declared in kuna or in a foreign currency.

Fee calculation according to particular service types:

- single, per transaction
- single, in advance
- monthly or quarterly¹, in arrears
- monthly, in advance
- quarterly, in advance
- quarterly, in advance, but the calculation period shall not be dependent on the calendar quarter
- annually, in advance but the calculation period shall not be dependent on the calendar quarter
- annually, in arrears

4.2. Fee payment

Fee payment according to particular service types:

- the Service User shall pay the calculated amount to the Bank account
- the calculated fee amount shall be drawn from the funds credited to the Service User upon use of the respective funds
- debiting the Service User's account for the amount of the calculated fee

For all calculated fees that are declared under the Decision in their minimum and maximum amount, if the calculated amount was lower than the minimum or higher than the maximum for a particular service type, then the stipulated minimum or maximum amount shall be charged.

5. Maturity of the calculated fee

The calculated fees for provided services and the real expenses shall be payable immediately, and within 7 days from the day of calculation at the latest. Should the 7th day be a Sunday or a holiday, the maturity date shall be moved to the following working day. If no other special agreement or bank act should stipulate otherwise, upon the expiry of the mentioned period the Bank shall calculate the legal default interest rate, starting from the day of calculation to the day of final collection of the calculated fee.

¹ A quarter shall mean a calendar quarter so that the calculation period shall begin on every January 1, April 1, July 1 and October 1.

The calculation methodology of interests and fees and of the default interest for the calculated and outstanding fee, is regulated under the **Rules on Interest Calculation**.

6. Specific characteristics of fee calculation and collection by business fields

6.3. Retail banking fees

6.3.1. Fees in kuna and foreign currency banking

The fee for executing cashless and cash payment transactions in retail kuna and foreign currency accounts shall be calculated and charged upon executing the particular transaction. Fees for other services in kuna and foreign currency business operations shall be charged once in advance or upon executing the transaction.

For services in foreign exchange transactions with retail customers, when payments are made in foreign currency, the basis for the calculation of the exchange translated at the middle rate of the RBA rate on the calculation.

If the fee should be charged from the Service User's foreign currency account held with RBA, the RBA buy exchange rate for FX valid on the day of charging it shall be used. When a payments in favour of accounts maintained by the Bank – in foreign currencies, payments in favour of accounts maintained by the Bank – in foreign currencies and payments in favour of accounts at other banks within the country – in kuna or foreign currencies, is executed through the Internet banking, and when the fee is charged from the Account Holder's FX Account with RBA, the RBA middle exchange rate valid as on the day of calculation shall be applicable.

The fee calculated for kuna and foreign currency business transactions shall be charged from the Service User's account or by cash payment.

6.3.2 Credit banking fees

6.3.2.1. Loan processing fee shall be calculated and charged upon loan use, once-off by deducting from the amount of the disbursed loan amount, which amount shall be the basis for fee calculation.

6.3.2.2. Fee for managing a deferred claim is calculated on a monthly basis, but only upon expiry of the first 6 months of the agreed deferred claim period. The amount of the deferred claim on the last day of the month serves as the basis for fee calculation.

The fee becomes due and payable upon expiry of the agreed deferred claim period. The fee amount is agreed upon in a percentage on an annual level.

6.3.2.3. Fees for other services in credit banking (changes in a loan agreement, notices, early repayment and similar) shall be calculated and charged as flat fees in advance or upon the executed transaction.

6.3.3. Fees for banking services in giro accounts, current account and foreign currency account, foreign currency giro account and a vista savings account

The Bank shall calculate fees for money transfer services and for other services in the account in advance or upon executing the transaction, and debit the account or receive cash payment for the fee amount.

The account management fee (if defined under the Decision on Service Fees) is calculated monthly, in arrears, and debited from the account for all accounts that are active as on the date of fee collection processing. The fee for account processing shall not be charged for blocked accounts in case of card loss/theft.

The current account management fee shall be charged only if there is real movement in the respective account. Real movement shall not include: the account management fee, the service usage fee, account interests and fixed deposit interests.

The foreign currency account management fee shall be charged if there is a debit card issued for the respective account, and the following shall be applicable:

- the fee shall be collected also in case the debit card has been issued and cancelled in the same month,
- the fee shall be collected for the account, regardless of the number of cards issued per particular account.

The management fee for a foreign currency account for which a debit card has been issued shall burden first the predefined currencies in the card (if account currency is EUR and USD, EUR shall take precedence). If there are not sufficient assets for fee collection, the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies, shall be debited.

The fee charged and collected by debiting a foreign currency account for which no debit card has been issued shall debit the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies and the EUR balance shall be debited first..

The currency and the amount for book-keeping is selected by collecting the amount by currencies until the moment of settlement of the entire fee amount. If there have not been sufficient assets in all the affected currencies to collect the fee, the currency that is the first by priority rank shall be allowed into overrun, which means that:

- in a foreign currency account for which a debit card has been issued, first the predefined currency in the card shall be debited (if account currency is EUR and USD, EUR shall take precedence), the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies,

- a foreign currency account for which no debit card has been issued, the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies, and the EUR balance shall be debited first.

The fee amount is defined in the kuna, and for calculation into a particular currency the FC buy exchange rate shall be applicable.

FlexiPLUS package monthly management fee

The FlexiPLUS package management fee is calculated at the beginning of the month, in arrears, for all current accounts that are active as on the date of fee collection processing. The current account package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

6.3.4. Card banking fees

The fees for transactions executed at ATMs and POS terminals by using the Bank debit and credit cards, shall be calculated upon the transaction execution, and charged by debiting the account for which the fee was calculated. Other fees regarding card banking shall be calculated in advance or upon executing the transaction, and collected from the account or by cash payment.

6.3.5. Fees for use of the RBA Direkt services

The fee for using the services shall be calculated monthly, in arrears, and charged from the account. RBA DIREKT services fee shall be charged for the entire month, regardless of the number of usage days.

Other fees shall be calculated upon executed transaction (fee for executing transactions through the RBA Direkt service) or in advance (access fee), and debited from the account or settled by cash payment.

The fee for using the services shall be charged from the account that was active as on the day of fee collection processing, in the following order:

1. current account
2. foreign currency account
3. kuna giro account
4. foreign currency giro account.

If a client has several identical products contracted (several identical types of accounts), the service usage fee shall be charged by the increasing number of the account number.

If there are not sufficient assets in any of the above accounts at the moment of fee processing, the processing shall be restarted in the same order and make the first account from the defined sequence to overrun.

When the fee is charged from an FC account or an FC giro account, the currency of the highest balance shall be debited. If there are not sufficient assets to collect the fee in any of the available currencies, the fee shall be charged from and FC account in which the EUR balance shall be made to overrun.

6.5. Fee for business operations conducted through distribution channels

Fees for business operations conducted through distribution channels shall be calculated and charged in accordance with the Tariff items under F4. Of the Decision on Service Fees in RBA Business, unless it is otherwise agreed.
