- a vista interest rate, depending on term savings deposit currency, for assets in the current. giro and FX account, valid on the termination date, if the achieved term period is less than 6 months, regardless of whether the early termination is done in the first agreed period or after the automatic prolongation of the term period
- if the achieved term period exceeds 6 months and the early termination is done in the first agreed period. the fixed interest rate on non-purpose term savings deposits with one time payment for the achieved term period, which is valid on the day of time deposit termination, if the said interest rate is lower than the agreed fixed interest rate, i.e. the agreed fixed interest rate. if the fixed interest rate on term savings deposits for the achieved term period, valid on the day of time deposit termination, exceeds the agreed fixed interest rate;
- if the achieved term period exceeds 6 months. and the savings deposit contains an automatic prolongation of

term period and the early termination is done after the automatic term prolongation, the fixed interest rate on time deposits for the achieved term period which was valid on the day of time deposit termination, shall be approved, if the said interest rate is lower than the agreed fixed interest rate, i.e. the agreed fixed interest rate if the fixed interest rate on time deposits for the achieved term period, valid on the day of time deposit termination. exceeds the agreed fixed interest rate.

For savings deposit **in currencies for which the Decision on Interest Rates does not define the interest rate**, in case of an early termination of time deposit, a vista interest rate valid on the termination date of savings deposit will be approved.

In case of early termination of a **non-purpose fixed-term savings deposit with multiple payment option**, apply the same rules as for early termination of the savings deposit with one-time payment **for every individual payment separately**.

The achieved term/payment period means the period from the date of making the fixed-term savings deposit/payment until the early termination date, i.e. from the date of the last non-purpose fixed-term savings deposit/payment renewal, if the deposit was extended. until the early termination date.

In case of early termination of **non-purpose term savings deposit with premium** (new premium savings which shall be arranged as of 01/04/2011), apply the same rules for approving the interest rate and charging the fee as for early termination of term savings deposit with multiple payment option.

In case of early termination of **non-purpose term savings deposit with premium made prior to 01/04/2011:**

- if the time deposit is in **HRK**, the interest is approved in the amount of interest rate on non-purpose time deposits in HRK, made with variable interest rate to a period exceeding 10 days, i.e. a vista interest, established for current and giro account in HRK, if the achieved term period is 10 days or shorter;
- if the savings deposit is **in HRK with currency clause tied to EUR**, the interest is approved in the amount of variable interest rate on non-purpose time deposits in HRK with currency clause tied to EUR, valid for the first interest rate bucket (lowest term amount) and the lowest term amount, i.e. a vista interest established for FX savings account in EUR, if the achieved term period is 30 days or shorter;
- if the savings deposit is **in EUR and USD**, the interest is approved in the amount of variable interest rate on non-purpose time deposits in USD and EUR, valid for the first interest rate bucket (the lowest term amount) and the lowest term amount, i.e. a vista interest established for the FX savings account in EUR and USD, if the achieved term period is 30 days or shorter.

In case of early termination of term savings deposit with premium, the premium is not recognised (this refers to all agreed premium savings deposits regardless of when they were contracted).

The early time savings deposit termination fee is not charged when the Client's a vista interest rate is recognised in case of early termination.

In case of early termination of deposit, when the interest for the achieved term period is approved to the client, the fee is paid in accordance with the Decision on Service Fees.

The fee for early termination of the savings deposit with multiple payments shall not be charged if the a vista interest is approved for the first payment.

In case of early termination of the savings deposit with multiple payments. when the interest for the achieved fixed-term period is approved to the client on the occasion of making the first payment, the fee is paid in accordance with the Bank Decision on Service Fees.

In case of early termination of the guarantee deposit and the time deposit for purpose savings, the interest rate established in the Bank's Decision on Interest Rates is approved. The fee for early termination of the time deposit is paid according to the Decision on Service Fees. In case of early termination of the time deposit, the agreed bonus of the interest rate is not approved.

In case of early termination of **the deposit amount from the savings and insurance package «Osigurane kombinirke»**, the client shall lose the right to the fixed bonus on the interest rate, and the same rules for approving the interest and collection of fee shall be applied as for the early termination of the savings deposit with a one-time payment option.

In case of early termination of **the deposit amount from the savings and insurance package «Moderne**

kombinirke», the client shall lose the right to the fixed bonus on the interest rate, and the same rules for approving the interest and collection of fee shall be applied as for the early termination of the savings deposit with a one-time payment option.

2.1.7.5. Savings and insurance package «Osigurane kombinirke» – term savings deposits in EUR with fixed interest rate and fixed bonus on interest rate

To clients who arrange term savings deposit in EUR with fixed interest rate. and invest a portion of their available funds. apart from RBA non-purpose term savings deposit. in UNIQA single payment life insurance (MOPO tariff), the Bank shall allow to arrange a fixed bonus.

The interest rate amount for a particular term category and term period is determined in keeping with terms and conditions for term savings deposits in EUR at fixed interest rate with a one-time payment.

The amount of the fixed bonus depends on the ratio of term savings deposit amount and insurance premium (the amount invested in insurance). There are three possible ratios of savings deposit and insurance amount, as shown below:

Life insurance	Savings deposit	Fixed bonus
15%	85%	0,10%
25%	75%	0,30%
50%	50%	0,70%

Term savings deposit which is a part of the savings and insurance package can be agreed upon only for the period of **12 months + 1 day**. The life insurance is arranged to the minimum period of 5 years, and the minimum premium amount is **EUR 2,500.00**. The minimum disposable amount which is a condition for arranging the savings and insurance package is **EUR 5,000.00**.

The Clients holding an account with the Bank to which account they route their regular income (salary or pension income) and contracting a one-time payment deposit in branch outlet shall have the right to a bonus interest rate in the amount of 0.30 bp on the EUR time deposit interest rates.

Fixed bonus of Savings and insurance package «Osigurane kombinirke» is summed up with a bonus interest rate for Clients holding an account with the Bank to which account they route their regular income.

Fixed bonus of Savings and insurance package «Osigurane kombinirke» and bonus interest rate for Clients holding an account with the Bank to which account they route their regular income will be applicable on the agreed period of 12 months + 1 day.

The Bank may define a higher or lower interest rate as compared to those specified in the Decision on Interest Rates. The respective Decision shall be made by the Bank Management Board.

Applicable as of 13th March, 2017.
