## SPECIFIC CHARACTERISTICS OF FEE CALCULATION AND COLLECTION BY BUSINESS FIELDS

### RETAIL BANKING FEES

#### Fees in kuna and foreign currency banking

The fee for executing cashless and cash payment transactions in retail kuna and foreign currency accounts shall be calculated and charged upon executing the particular transaction. Fees for other services in kuna and foreign currency business operations shall be charged once in advance or upon executing the transaction.

For services in foreign retail banking, if the fee should be charged from the Service User's foreign currency account held with RBA, the RBA buy exchange rate for FX valid on the day of charging it shall be used. When a payments in favour of accounts maintained by the Bank – in foreign currencies, payments in favour of accounts maintained by the Bank – in foreign currencies and payments in favour of accounts at other banks within the country – in kuna or foreign currencies, is executed through the Internet banking, and when the fee is charged from the Account Holder's FX Account with RBA, the RBA middle exchange rate valid as on the day of calculation shall be applicable.

The fee calculated for kuna and foreign currency business transactions shall be charged from the Service User's account or by cash payment.

#### Fees for banking services in giro accounts, current account and foreign currency account, foreign currency giro account and a vista savings account

The Bank shall calculate fees for money transfer services and for other services in the account in advance or upon executing the transaction, and debit the account or receive cash payment for the fee amount.

The account management fee (if defined under the Decision on Service Fees) is calculated monthly, in arrears, and debited from the account for all accounts that are active as on the date of fee collection processing. The fee for account processing shall not be charged for blocked accounts in case of card loss/theft.

- The current account management fee shall be charged only if there is real movement in the respective account. Real movement shall not include: the account management fee, the service usage fee, fee for package use, account interests and fixed deposit interests.
- The foreign currency account management fee shall be charged if there is a debit card issued for the respective account, and the following shall be applicable:
  - the fee shall be collected also in case the debit card has been issued and cancelled in the same month,
  - the fee shall be collected for the account, regardless of the number of cards issued per particular account.

The management fee for a foreign currency account for which a debit card has been issued shall burden first the predefined currencies in the card (if account currency is EUR and USD, EUR shall take precedence). If there are not sufficient assets for fee collection, the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies, shall be debited.

The fee charged and collected by debiting a foreign currency account for which no debit card has been issued shall debit the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies and the EUR balance shall be debited first.

The currency and the amount for book-keeping is selected by collecting the amount by currencies until the moment of settlement of the entire fee amount. If there have not been sufficient assets in all the affected currencies to collect the fee, the currency that is the first by priority rank shall be allowed into overrun, which means that:

- in a foreign currency account for which a debit card has been issued, first the predefined currency in the card shall be debited (if account currency is EUR and USD, EUR shall take precedence), the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies,
- a foreign currency account for which no debit card has been issued, the currencies that have or had had a balance in the account, in the sequence by their respective letter marks of the currencies, and the EUR balance shall be debited first.

The fee amount is defined in the kuna, and for calculation into a particular currency the FC buy exchange rate shall be applicable.

- ***FlexiPLUS package monthly management fee***

The FlexiPLUS package management fee is calculated at the beginning of the month, in arrears, for all current accounts that are active as on the last day of the fee collection period. The package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

### *Fees for use of the RBA DIREKT services*

The fee for using the services shall be calculated monthly, in arrears, and charged from the account. RBA DIREKT services fee shall be charged for the entire month, regardless of the number of usage days.

Other fees shall be calculated upon executed transaction (fee for executing transactions through the RBA Direkt service) or in advance (access fee), and debited from the account or settled by cash payment.

The fee for using the services shall be charged from the account that was active as on the day of fee collection processing, in the following order:

1. current account
2. foreign currency account
3. kuna giro account
4. foreign currency giro account.

If a client has several identical products contracted (several identical types of accounts), the service usage fee shall be charged by the increasing number of the account number.

If there are not sufficient assets in any of the above accounts at the moment of fee processing, the processing shall be restarted in the same order and make the first account from the defined sequence to overrun.

When the fee is charged from an FC account or an FC giro account, the currency of the highest balance shall be debited. If there are not sufficient assets to collect the fee in any of the available currencies, the fee shall be charged from and FC account in which the EUR balance shall be made to overrun.

### *Card banking fees*

The fees for transactions executed at ATMs and POS terminals by using the Bank debit and credit cards, shall be calculated upon the transaction execution, and charged by debiting the account for which the fee was calculated. Other fees regarding card banking shall be calculated in advance or upon executing the transaction, and collected from the account or by cash payment.
