SPECIFIC CHARACTERISTICS OF FEE CALCULATION AND COLLECTION BY BUSINESS FIELDS RETAIL BANKING FEES

Fees in kuna and foreign currency banking

The fee for executing cashless and cash payment transactions in retail kuna and foreign currency accounts shall be calculated and charged upon executing the particular transaction. Fees for other services in kuna and foreign currency business operations shall be charged once in advance or upon executing the transaction.

For services in foreign exchange transactions with retail customers, if the fee should be charged from the Service User's foreign currency account held with RBA, the RBA buy exchange rate for FX valid on the day of charging it shall be used.

When the following services: National credit transfer in kuna, EUR and other foreign currencies and International credit transfer in EUR and in foreign currencies other than EUR are executed via *On-line* banking (RBA internet and mobile banking), and when the fee is charged from the Account Holder's FX Account with RBA, the RBA middle exchange rate valid as on the day of calculation shall be applicable.

The fee calculated for kuna and foreign currency business transactions shall be charged from the Service User's account or by cash payment.

Fees for banking services in giro accounts, current account and foreign currency account, foreign currency giro account and a vista savings account

The fee for payment service transactions and credit transfers and the fee for other services are computed as upfront fees or upon executing each transaction, and charged to the account or in cash.

The account management fee (if defined under the Decision on Service Fees) is calculated monthly, in arrears, and debited from the account for all accounts that are active as on the date of fee collection processing.

The account management fee is charged if the funds to cover the total fee amount are available in the account, irrespective of there being any actual movement in the account or not.

- *The current account management fee* shall be charged also for the current account in which an accepted tacit overdraft has been granted, regardless of whether the respective tacit overdraft is used or not. Exceptionally, the fee shall not be charged in the month for which the fee is due to be charged if any of the following facilities have been used:
 - a contracted overdraft, or a gradual decrease of overdraft, which overdraft was granted prior to 16 May 2019, with utilization period until 16 November 2019, or
 - a frame loan.
- *The foreign currency account and the foreign currency giro account management fee* is charged by debiting the currencies of which there is a balance in the account, listed by the currency letter codes, and the currency EUR being placed first. The currency and the posting amount are selected by collecting the amount by currencies until the moment of settling the total fee amount. If the funds to cover the total fee amount are not available after collection from all available currencies, fee payment is not executed.

The fee amount is defined in the kuna, and for calculation into a particular currency the FC buy exchange rate shall be applicable.

FlexiPLUS package monthly management fee

The FlexiPLUS package management fee is calculated at the beginning of the month, in arrears, for all current accounts that are active as on the last day of the fee collection period. The package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

Monthly fee for maintenance of Premium packages (PremiumSILVER, PremiumGOLD and PremiumPLATINUM)

Account balance, amount of agreed loans without co-debtors in the Bank or RSŠ and the number of product groups are determined on the 25th day in the billing month. Accounting period for the purpose of determining regular income in current and/or foreign currency account at the Bank and the sum of transactions with debit or credit cards on EFT POS devices or on WEB- is from the 26th day in a month which precedes the billing month up until the 25th day in the billing month. The conversion of the counter-value of different currencies into the currency is based on the application of the middle rate of exchange quoted by the CNB on the calculation day (25th of the month).

The fee for proxy using the account

Use fee for Kuna Giro Account, Foreign Currency Account, Foreign Currency Giro Account by a proxy is charged at the beginning of the month for the previous month for the accounts in which such proxy is active on the last day of the fee collection period.

Proxy Account Use Fee is charged if the overall fee amount is available in the account for fee settlement, regardless of whether there was movement in the respective account or not.

Fees for use of the RBA DIREKT services

The fee for using the services shall be calculated monthly, in arrears, and charged from the account. RBA DIREKT services fee shall be charged for the entire month, regardless of the number of usage days.

Other fees shall be calculated upon executed transaction (fee for executing transactions through the RBA Direkt service) or in advance (access fee), and debited from the account or settled by cash payment.

The fee for using the services shall be charged from the account that was active as on the day of fee collection processing, in the following order:

1. current account
2. foreign currency account
3. kuna giro account
4. foreign currency giro account.

If a client has several identical products contracted (several identical types of accounts), the service usage fee shall be charged by the increasing number of the account number.

If there are not sufficient assets in any of the above accounts at the moment of fee processing, the processing shall be restarted in the same order and make the first account from the defined sequence to overrun.

When the fee is charged from an FC account or an FC giro account, the currency of the highest balance shall be debited. If there are not sufficient assets to collect the fee in any of the available currencies, the fee shall be charged from and FC account in which the EUR balance shall be made to overrun.

Card banking fees

The fees for transactions executed at ATMs and POS terminals by using the Bank debit and credit cards, shall be calculated upon the transaction execution, and charged by debiting the account for which the fee was calculated. Other fees regarding card banking shall be calculated in advance or upon executing the transaction, and collected from the account or by cash payment.
