SPECIFIC CHARACTERISTICS OF FEE CALCULATION AND COLLECTION BY BUSINESS FIELDS RETAIL BANKING FEES

Fees in kuna and foreign currency banking

The fee for executing cashless and cash payment transactions in retail kuna and foreign currency accounts and protected accounts shall be calculated and charged upon executing the particular transaction. Fees for other services in kuna and foreign currency business operations shall be charged once in advance or upon executing the transaction.

For services in foreign exchange transactions with retail customers, if the fee should be charged from the Service User's foreign currency account held with RBA, the RBA buy exchange rate for FX valid on the day of charging it shall be used.

When the following services: National credit transfer in kuna, EUR and other foreign currencies and International credit transfer in EUR and in foreign currencies other than EUR are executed via *On-line* banking (RBA internet

and mobile banking), and when the fee is charged from the Account Holder's FX Account with RBA, the RBA middle exchange rate valid as on the day of calculation shall be applicable.

The fee calculated for kuna and foreign currency business transactions shall be charged from the Service User's account or by cash payment.

<u>Fees for banking services in giro accounts, current account and foreign currency account, foreign currency giro account, a vista savings account and protected accounts</u>

The fee for payment service transactions and credit transfers and the fee for other services are computed as upfront fees or upon executing each transaction, and charged to the account or in cash.

The account management fee (if defined under the Decision on Service Fees) is calculated monthly, in arrears, and debited from the account for all accounts that are active as on the date of fee collection processing.

The account management fee will not be charged on the account for which no actual movements (transactions) have been recorded for at least last 6 months, when the account balance on the fee calculation date is as follows:

- 80 HRK or more, which balance would be reduced, upon charging the fee, to less than 80 HRK for accounts held in HRK.
- the equivalent of EUR 10 or more calculated at the middle exchange rate of the Bank valid on the fee calculation date, when the balance would be reduced to less than the equivalent of EUR 10 upon charging the fee.

Actual movements do not include: account management fee, fee for use of the account by authorized user, service usage fee, account interest and term deposit interest.

The account management fee is charged if the funds to cover the total fee amount are available in the account, irrespective of there being any actual movement in the account or not.

- The current account management fee shall not be charged in the month for which the fee is due to be charged if frame loan have been used.
- The foreign currency account and the foreign currency giro account management fee is charged by debiting the currencies of which there is a balance in the account, listed by the currency letter codes, and the currency EUR being placed first. The currency and the posting amount are selected by collecting the amount by currencies until the moment of settling the total fee amount. If the funds to cover the total fee amount are not available after collection from all available currencies, fee payment is not executed.
 - The fee amount is defined in the kuna, and for calculation into a particular currency the FC buy exchange rate shall be applicable.

FlexiPLUS package monthly management fee

The FlexiPLUS package management fee is calculated at the beginning of the month, in arrears, for all current accounts that are active as on the last day of the fee collection period. The package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

Monthly fee for maintenance of Premium packages (PremiumSILVER, PremiumGOLD and PremiumPLATINUM)

The Premium package management fee is calculated at the beginning of the month, in arrears, for all current accounts that are active as on the last day of the fee collection period. The current account package management fee is calculated for the entire month, regardless of the date of contracting the respective package.

Balance of accounts with the Bank and balance of assets in Raiffeisen Investment Funds and Raiffeisen Centrobank certificates, contracted amount of mortgage loans without a co-debtor with the Bank or RSŠ and the number of groups of products used are determined on the last day of the accounting period. The amount of regular receipts on the Bank's current, giro, foreign currency and / or foreign currency giro account and the sum of debit or credit card transactions on EFT POS devices or on the WEB is determined from the first to the last day of the accounting period. The accounting period is the period from the first to the last day of the month for which the Premium package fee is calculated. All currencies are translated into HRK at the CNB middle exchange rate prevailing on the last day of the accounting period.

The fee for operating the account by authorized user

The fee for use of kuna Giro Account, Foreign Currency Account, Foreign Currency Giro Account by an authorized user is charged at the beginning of the month for the previous month for the accounts in which such authorized user is active on the last day of the fee collection period.

The fee for operating the account by authorized user is charged if the overall fee amount is available in the account for fee settlement, regardless of whether there was movement in the respective account or not.

Fees for use of the RBA DIREKT services

The fee for using the services shall be calculated monthly, in arrears, and charged from the account. RBA DIREKT services fee shall be charged for the entire month, regardless of the number of usage days.

Other fees shall be calculated upon executed transaction (fee for executing transactions through the RBA Direkt service) or in advance (access fee), and debited from the account or settled by cash payment.

The fee for using the services shall be charged from the account that was active as on the day of fee collection processing, in the following order:

- 1. current account
- 2. foreign currency account
- 3. kuna giro account
- 4. foreign currency giro account.

If a client has several identical products contracted (several identical types of accounts), the service usage fee shall be charged by the increasing number of the account number.

If there are not sufficient assets in any of the above accounts at the moment of fee processing, the processing shall be restarted in the same order and make the first account from the defined sequence to overrun.

When the fee is charged from an FC account or an FC giro account, the currency of the highest balance shall be debited. If there are not sufficient assets to collect the fee in any of the available currencies, the fee shall be charged from and FC account in which the EUR balance shall be made to overrun.

Card banking fees

The fees for transactions executed at ATMs and POS terminals by using the Bank debit and credit cards, shall be calculated upon the transaction execution, and charged by debiting the account for which the fee was calculated. Other fees related to card banking shall be calculated in advance or upon executing the transaction, and collected from the account or by cash payment.
